**Start date:** Thursday, May 8, 2025 2:30 AM  
**End date:** Thursday, November 6, 2025 5:00 PM

**Location:** #1 Weston Road

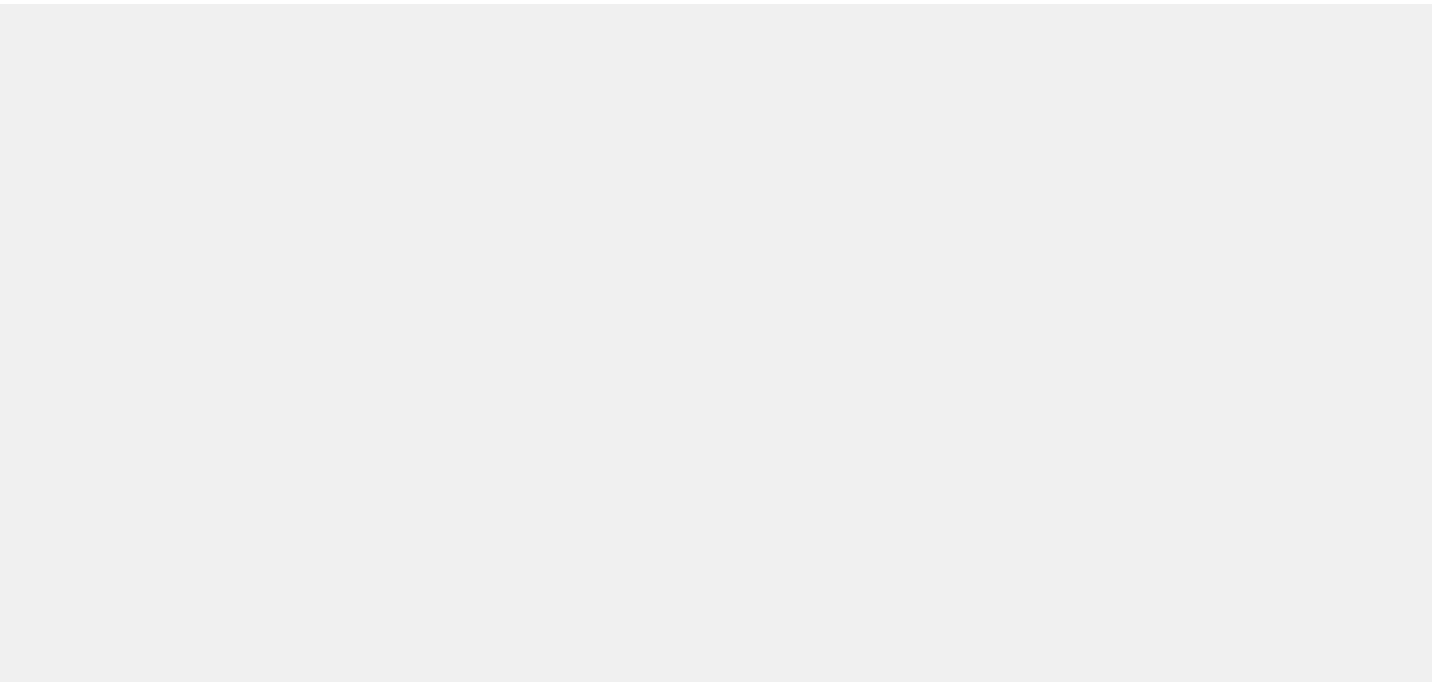

**Comments:** Compared with the last campaign at this location in September to November 2024, this campaign displays a decrease in speed compliance of 0.39%. Important to note however, this campaign took place over a far larger timeframe of 6 months compared with 3 months in the last campaign at this location. This would indicate that speed compliance remains high along Weston Road in the summer months, which typically see higher rates of non-compliance from longer timeframes. Also noticeable is the decrease in relative speeding of 41mph and over of a total 0.08%.
