18.087 Park Path

Three proposals had been presented to the committee with quotes for repairing the park path. It was noted that two of the quotes were considerably more expensive than one of them. Cllr Read reported that he had had a conversation with the cheapest one confirming that they would also be lifting and re-laying where necessary (this was not detailed in the quote). E Barry recommended to the Committee that if they agreed to go approve this company for the work, that the company was asked to revise their proposal to include the lifting and re-laying.

Cllr Read went on to say that this company had also done work for the Bowls club who had been happy with them. Cllr Read said that he would also keep an eye on things when work commenced.

The Committee Agreed that the preferred contractor would be Drivescape and that when they were emailed to confirm the appointment, to clarify that the work was to include the lifting and re-laying works. E Barry confirmed that she would pass this information on to the Clerk, G Merry.

MOTION: to agree a contractor to fix the damaged park path, proposed by Cllr Wyatt, seconded by Cllr Tubb and AGREED, to appoint Drivescape, subject to confirmation as detailed above.
